

AMENDMENT DOCUMENT

The following Amendments made this 6th day of July, 2018, are Amendments to the document entitled "Agriculture Planned Land Application Review (APLAR) A Release Package for Lot 1581, Quad 105D14, Plan 2017-0054 LTO Takhini Hotsprings Road, Yukon"

1. Note 18 found on page 7 of Appendix 2: Project Plan Outline and Instructions:

18. For the purposes of this application, credit certification is met by provision of a letter from a recognized lending agency that confirms the availability of financial resources equal to the total development costs plus the value of your project proposal. Failure to provide credit certification disqualifies your application.

shall be amended to:

18. For the purposes of this application, credit certification is met by provision of **any documentation from recognized lending agencies** that confirms the availability of financial resources equal to the total development costs plus the value of your project proposal. Failure to provide credit certification disqualifies your application.

2. The Application Deadline: July 17, 2018

shall be amended to July 24, 2018 at 4:30pm (local time).

Applications will be accepted at the **Application Submission Location** by hand or postmarked by mail no later than this date.

Signed by the Government of Yukon, as represented by the Director of Agriculture, this 6th day of July 2018.

Randy Lamb
A/Director, Agriculture Branch
