Updated claim staking information for the Peel Planning Region

Please be advised that Order in Council 2013-95, which prohibits claim staking in the Peel Planning Region, expires at 12:00 Midnight January 22, 2014.

On January 22, 2014 Order in Council 2014-07 prohibits the staking of claims under the *Quartz Mining Act* and the *Placer Mining Act* for the areas now designated as Protected Areas under the approved Peel Planning Region.

All other areas of the Peel Planning Region that were formerly under a prohibition order will be open for entry on January 22, 2014 at 12:00:01 AM.

It is recommended that any individual interested in staking claims in areas that are available pursuant to the Acts review the appropriate mapping of the Peel Planning Region, available at:
