AUTHORITY

A surrender is the relinquishment of a disposition, in whole or in part, to the Government of Yukon. A surrender of a disposition may be completed pursuant to the *Oil and Gas Act*, and under the *Oil and Gas Disposition Regulations*. Disposition holders may surrender entire dispositions, or a part of the disposition location.

All surrenders are reviewed by Oil and Gas Resources and approved by the Minister. Holders must be free of indebtedness to the Crown. Royalties and rentals owing must be paid in full. Any wells on the disposition must be dealt with in accordance with the *Oil and Gas Act* and the instructions of the Chief Operations Officer.

MODES OF DELIVERY

Surrender forms may be delivered to Oil and Gas Resources via: hand delivery, mail, courier, fax, or e-mail. Documents received via fax and e-mail will be treated as originals. Sending a paper copy is not required. Forms are required to have original signatures. Oil and Gas Resources reserves the right to request the original copy with original signatures of a faxed or e-mailed document.

FEES

There is no fee to surrender all or part of a disposition.
